CONVERGENCE TECHNOLOGY CONSULTING
TO ATTEND CITRIX SYNERGY 2015

Columbia, MD.; May 11, 2015 — Convergence Technology Consulting LLC, a leader in cybersecurity and enterprise infrastructure, is pleased to announce it will be attending the Citrix Synergy Conference, May 12 - 14, at the Orange County Convention Center in Orlando, Florida.

"With over 50 total Citrix Certifications, 12 years' experience as a Citrix Partner, and being named the 2014 Citrix Partner of the Year Award for US Public Sector, we are looking forward to supporting Citrix and continuing to learn more about Citrix's latest solutions," states Convergence's CEO Larry Letow.

Citrix Synergy 2015 has a new industry focus, highlighting how mobility is transforming the workplace in industries including healthcare, education, financial services, and government—enabling people to work better from anywhere.
